

# Create-a-Quiz Assignment

Name: \_\_\_\_\_

## 23.3, 23.4, 23.5

Period: \_\_\_\_\_ Date: \_\_\_\_\_

Create a 5 question quiz for each of the three sections. You will receive one point for each question that meets the requirements and one point for each answer that meets the requirements.

Each quiz must have the following:

- Complete question
  - Phrase the question to require complete understanding of a major concept, the many parts of a bigger idea, or at least distinguish between several vocabulary words that are related
  - Basic questions about a single word will not be counted
- Correct and complete answer to the question
  - If question requires explanation, a good and accurate explanation is needed
  - If question is about parts of a whole, make sure they are in a sequence or are explained so that you can tell them apart
